OUR ENTIRE STOCK

Does not have to be sold in thirty days, our credit-
ors are not that hard on us, but

We are over anxious to sell clothing right now, so between this
date and the 1st day of January we are going to cut our profits on
men's and boy's suits and extra trousers just half into, that is, we
are going to divide profits with you on all clothing. This is be-
cause we have a rather large pile of clothing left that must be gone
by the end of the winter season. To carry winter styles over to
the next season is unprofitable. This we know and hence the cut.
A swell line of men's extra trousers, made in style, peg top, wide
seams at sides and flaps on pocket, to go at a real sacrifice. Boy's
suits with regular or knickerbocker trousers, as you prefer, with-
out regard to cost.

NO FAKE HERE.
